Aircraft Request Form

Aircraft request form and instruction sheet
are available on the LESO website:

<https://www.dispositionsservices.dla.mil/rtd03/leso/index.shtml>

Click the “Forms” tab, then click “LEA Aircraft Request”

National Priority List

National wait list for Aircraft includes:

- Single-engine fixed wing
- Multi-engine fixed wing
- OH-58
- UH-1
- OH-6
- Gliders

Allocation

Five considerations

1. Aircraft available to the LESO program
2. The date the request was received by LESO
3. Fair and equitable distribution
4. High Intensity Drug Trafficking Area (HIDTA)
<http://www.whitehousedrugpolicy.gov/hidta/index.html>
5. Geographic responsibility

Oklahoma Bureau of Narcotics, OK

1033 Aircraft

- Aircraft acquired prior to September 30, 1996 were considered 1208 Aircraft. Regardless of when acquired, all Aircraft are now considered 1033 Aircraft. (As repealed by Pub. L. 104-201 Sec. 1033 (b) (1).)
- Sale, trade or transfer of Aircraft (acquired prior to September 30, 1996) may be authorized by the LESO on a case by case basis

Virginia State Police, VA

1033 Aircraft

To request a sale, trade or transfer of aircraft, the LEA must submit a formal written request endorsed by the Chief Executive Official of the agency to their State Coordinator.

This request must include:

The DLA Form 1822 with a copy of the possessor's driver's license and authority to operate the aircraft or business when appropriate

2. The proposed disposition of the aircraft or aircraft parts (i.e. sale, auction, trade)
3. Statement of flight hours and maintenance for the duration of the LEA possession (if applicable)
4. Status of the aircraft (whether it is flyable or non-flyable)
5. Photographs of the aircraft interior and

**Merced County Sheriff's
Department, CA**

1033 Aircraft

The prospective buyer or trade recipient is responsible for completing the DLA Form 1822 (End Use Certificate), providing a copy of the recipients drivers license and submitting it to the LEA.

-If the DLA Form 1822 is completed on behalf of a corporation or business, the person executing the DLA Form 1822 must submit a copy of the authorization to sign documents on behalf of the corporation with the complete form. The DLA Form 1822 must be complete and legible.

Instructions on how to complete the DLA Form 1822 are located at:
<https://www.dispositionervices.dla.mil/rtd03/leso/forms.shtml>

**San Bernardino County
Sheriff's Department, CA**

1033 Aircraft

The State Coordinator is responsible for collecting all required documentation, including, but not limited to:

1. Completed DLA Form 1822
2. Chief Executive Official's endorsement
3. State Coordinator's written recommendation
4. Submitting the complete packet to the LESO.

Winthrop Harbor Police Department, IL

1033 Aircraft

The LESO will send the DLA Form 1822, copy of the LEAs request and a copy of the recipient's driver's license to the Trade Security Controls Assessment Office (TSCAO) for an assessment of the prospective buyer or trade

recipient. TSCAO assessment is not an approval or disapproval of the sale, auction or trade. It can however, result in the recommendation to the LESO to disapprove the proposed sale or trade based on the legal status of the prospective buyer or trade recipient. The assessment takes a minimum of 45 days.

The LESO approves or disapproves the request based on the LEAs request packet, State Coordinator's written recommendation and TSCAO's recommendation. The LESO then sends the approval or disapproval in writing to the State Coordinator.

**Desoto County Sheriff's Department,
MS**

1033 Aircraft

Approved request requires the LEA to fax or email a copy of the bill of sale or trade documentation through the State Coordinator to the LESO within five (5) business days of completing the transaction.

Merced County Sheriff's Department, CA

Once the bill of sale/trade is received in the LESO, the Aircraft Lead makes the necessary adjustment to the LEA's inventory. The State Coordinator adjusts the State's records and documents the disposition of the aircraft or aircraft parts in its records and sends a copy to the LEA. The disposition documentation should be retained by the State Coordinator and the LEA.

Cannibalization

Cannibalization-Turning flyable aircraft into a non-flyable aircraft for parts reclamation

Before

After

Cannibalization

Cannibalization-Turning flyable aircraft into non-flyable aircraft for parts reclamation

- Cannibalization may be authorized on a case by case basis (per MOA)
 - LEA must provide written request to the State Coordinator that includes current photos, signed statement of remaining parts/systems/and operating hours
 - Request must be endorsed by the Chief Executive Official of the agency and submitted to the State Coordinator
 - State Coordinator submits written recommendation to the LESO Aircraft Lead, who will submit approval/disapproval letter
 - LEA must have LESO authorization prior to cannibalization

Mercury Outboard motor
located at DLA Disp.
Services Site Stockton in
California April 2012**

Types of Watercraft available

Rigid Raider boat located at DLA Disposition Services Site Richmond, VA in April 2012

SF97 for Watercraft

- Currently, not required
- Check state laws regarding registration
FIRST
- A Disposition Services Site may assist, if requested

Watercraft Success Stories

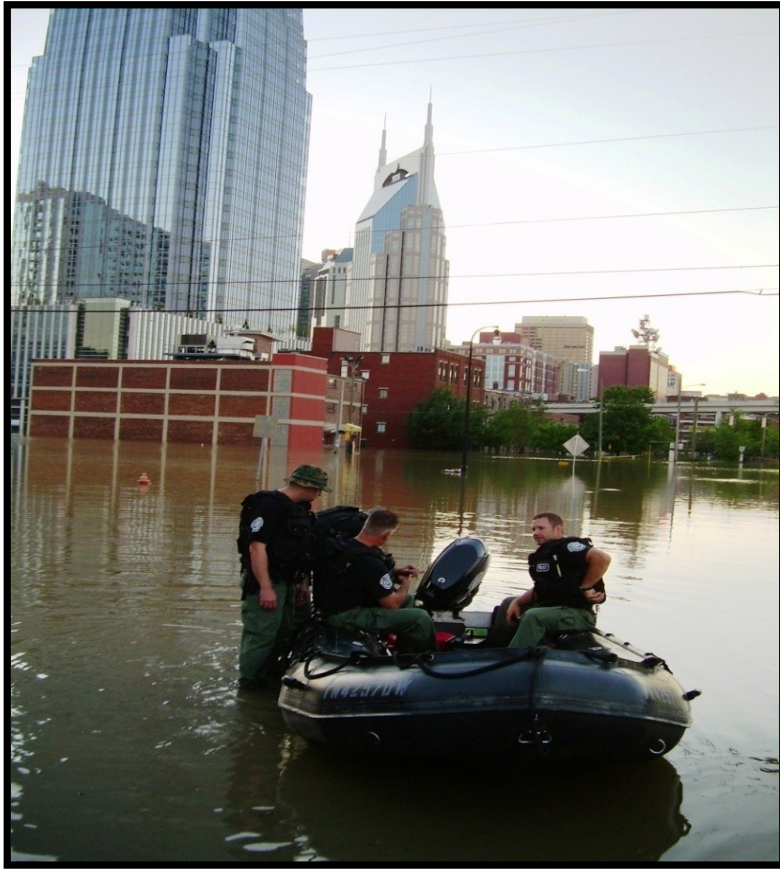

Gretna Police Department, LA

During the BP Oil spill in the summer and early fall of 2010, the boat was utilized to assist the Jefferson Parish Sheriff's Office with the security of coastal oil diversion systems such as oil boom, suction devices and absorption material and any rescue operations needed during this disaster. The boat was in operation 24/7 during this operation which lasted approximately 4 and ½ months.

Watercraft Success Stories

**Metro Nashville Police
Department, TN**

***"Thanks for what you have done for us.
The Zodiacs have saved countless
lives in Nashville this week."***

***-Lt. Steve Lewis of Metro Nashville PD, May
2010.***
